J. G. Bellrose and Mrs. Nettie L. Linsley of Burlington were married on Wednesday afternoon, August 8, Mrs. Bellrose was the widow of Dr. J. H. Linsley, for a number of years director of the state laboratory of hygiene at Burlington. Mr. Belliose is a prominent druggist of Burlington and is secretary of the state board of pharmacy.

Fatally Injured by Fall from Wagon.

Frank Goodrow, son of C. S. Goodrow of Whitingham, died Sunday evening, July 22, from the effects of injuries suf-fered by being thrown from a wagon the week before, as he was leaving Bellows Falls, where he was employed with a camping party. He as 23 years old.

Little Boy Escapes Droning.

Ralph Arel, the five-year old son of Mr. and Mrs. Frank L. Arel, of Newport, narrowly escaped being drowned Wed-nesday afternoon, August 1. He started away to a boathouse on the shore of Lake Membranescond the shore of Lake Memphremagog and, stepping up-on a log, lost his balance and fell into he lake. But for the prompt action f Earl Lawis, another little fellow who

Chief of Police John P. Clifford of Rutland has found the person who fired the two bullets during the band concert the two bullets during the band concert Wednesday night, one of which struck Timothy Hurley of Maple street in the work had been reduced. The bridge had the person was fired by the and. The revolver was fired by the ngineer at the sub-station of the Rutand Railway, Light and Power company to seare a gang of hoodhums, who were throwing stones at the electric light plant. A gang of small boys were in manently the lane slong East Creek between the Reports. Come into the garden, Maud, Let us see how our seeds have grown; You remember the day when we planted throwing stones at the power station on the other side of the creek. The enineer was alone and could not leave his work to walk around to where the boys were and he was afraid the stones would pierce the windows and get mixed up in the machinery. To scare the hoodlums he fired two shots, one of which went into a box near his feet and the other went into the air and struck young Hurley. Chief of Police Clifford considers the man was justified in the use of a gun to frighten the boys.

### SIRES AND SONS.

I guess have gone up the flume.

The horrid man at the seedstore must Have swindled us on the seeds;

I looked through the garden yesterday, And there's nothing there but weeds!

the Baltimore Law school. Professor Adolph Harnack and probas guests of the Carnegie institute of Pittsburg at the opening of its main building in April. Many distinguished foreigners are expected to be present. Howard F. Mayhew, rich and twenty-

two years old, is working as a mill hand in New Bedford, Conn., his object being to acquire a thorough knowledge of cotton spinning. He toils for fifty-eight hours a week and generally passes his evenings in the New Bedford Textile school.

General Luis Terrazas, whose wealth is conservatively estimated at \$200,-000,000, colebrated the seventy-fifth anniversary of his birth at his home in Chihuahua, Mexico, a few days ago. He is the largest individual landowner in the world, his estates in western Mexico approximating more than 15,-000,000 acres.

## GLEANINGS.

Over 8,000,000 copper coins are is sued every day by the English mint. Italy imports a great deal of salt fish at Genoa, chiefly from Norway and Newfoundland.

A first class armored cruiser has recently been launched by the French government bearing the name of the theologian Ernest Renau.

Spain is the only country that has a colunge bearing a baby's head on it. Colus bearing the baby head of King Alfonso were issued in 1888.

Iceland's fishermen have taken to using motor boats in their business. Automobiles and motor boats have also made their way to Helsingfors, Finland

They have a way abroad of abating midnight poises better than anything yet achieved in this country. Venice reports a hallstorm, the stones "so large that they killed many cats on the roofs of the houses."

The coloring principle of the madder affects even the bones of animals that devour the plant.

POSTOFFICE CLOSED.

Bennington Center Officer Was Oldest Items of Interest Gleaned From Our in Vermont.

Bennington, Aug. 13 .- On account of the recent order from the postoffice de-partment reducing the salary of the clerk in charge, the Bennington Center sta-burnowed up cuticle of the scalp, caused tion of the local postoffice has been the hair bulb. The hair becomes lifeless, and, in time, falls out. This can be preturned over to the main office all of vented. the government property there was at the station.

The doing away with this station will be the source of much discomfort, especially to transient people and farmer's families. A few years ago the salary was \$200 a year, then was reduced to \$100 and recently came a furher reduction to \$50, and Mr. Chandler the clerk in charge, promptly tendered his resignation, closed the place, and there is much kicking among the pa-

The postoffice at Bennington Center was the oldest office in Vermont, mail having been received there either through government or private service for 145

Up to comparatively recent times, it was the principal office in town. Mrs.

A. Eddy of Washington street, and doubtless other old people living here, can remember when folks living down town in what is now the populous sec-tion of Bennington had to go up to the Center for their mail.

#### Growth of Iron.

William Marriott, an English civil en-gineer, writing to the London Times concerning an article about the "growth

swing bridges with plenty of clearance have had to be shortened repeatedly year after year and only recently I have known of a swing bridge which had been open for half an hour that could been built for some thirteen years and had been opened and closed during that time many hundreds of times," is little doubt in my mind that iron heated and cooled alternately does per-manently lengthen."—U. S. Consular

Finished in red birch, haselwood and Georgia pine. Terms moderate. Possession given after April 18th. Inquire of Dr. 2. D. Martin at Miles' Granite Block or Fred L. Page at City Hail.

FARM FOR SALE-190 scres, situated in town of Worcester, one-half mile from village. Keeps 10 head of cattle and team. Buildings in fair condition. Running water at house and barn. Will sell on easy terms. Apply or address D. D. McAnlay, Grantseville, VI. 3tf. FARMS LOCATED NEAR BARRE-Look this list over. We never were as well situated to give you your money's worth on tarms near Barre City, with good buildings, land, etc., as now. These have just been placed with us for

spraying with whale oil soap and water is recommended to precede the powder. The sulphur should be applied at the rate of about 150 pounds per acre for each application. The cost of the sulphur and its application was about \$6 per acre for two applications in California. This treatment has proved very successful in California and is reported upon favorably by a large grower in South Carolina. It is essential to begin the treatment early, probably within three weeks of the beginning of summer growth, and to keep the sulphur showing well upon the plants throughout the season.
